"Reach for the Stars"

Yearbook Dedication 2019

Dear Mr. Blanchard,

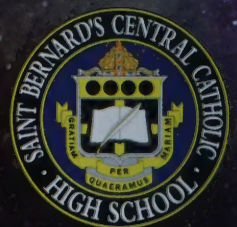

We would like to sincerely thank you for your service to our school. For our past four years here, you have been our principal, our leader, and the face of St Bernard's. You have had many of our siblings in school, and you have had many of our parents and relatives as students in your math class. Here are some specific things we would like to thank you for:

1. Thank you for always greeting us in the morning when we come into school.
2. Thank you for giving students a voice when it comes to student-run activities and events.
3. Thank you for always clearing the snow off of the walkways during bad weather so we can safely make it inside.
4. Thank you for having conversations and being understanding with us when we sometimes mess up.
5. Thank you for the endless supply of puns you have for every situation, no matter how big or how small.
6. Thank you for the teachers you hired, who have helped us learn in and out of the classroom.
7. Thank you for the personal investment that you have shown to our families, making sure that we found a way to make it through school, even when it seemed unlikely that we would at times.
8. Thank you for often sharing your personal supply of Lifesavers and water with us.
9. Thank you for helping us print papers and assignments for our classes, even though we waited until the last minute to get them done.
10. Thank you for checking up on us when we were having a bad day.
11. Thank you for keeping St. Bernard's safe- as a school, and as a community.
12. Thank you for giving us a second chance at something, even when we didn't do so well the first time.
13. Thank you for supporting our sports' teams, and being there to reassure us in our wins, as well as in our losses.
14. Thank you for listening to us vent if we had a concern or a problem.
15. On behalf of all of us, our parents, our friends, and our community, thank you for the investment that you have shown to St. Bernard's for nearly 50 years.

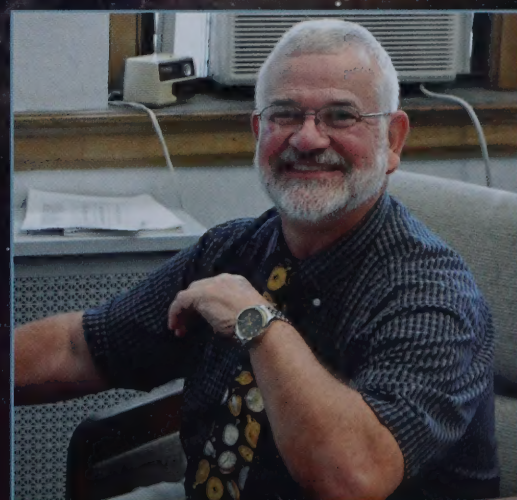

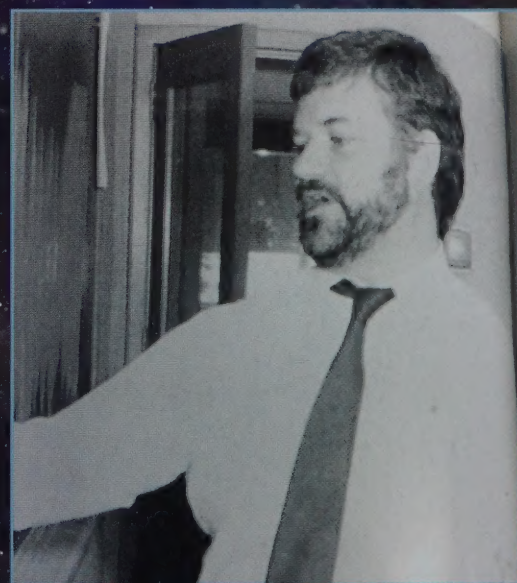

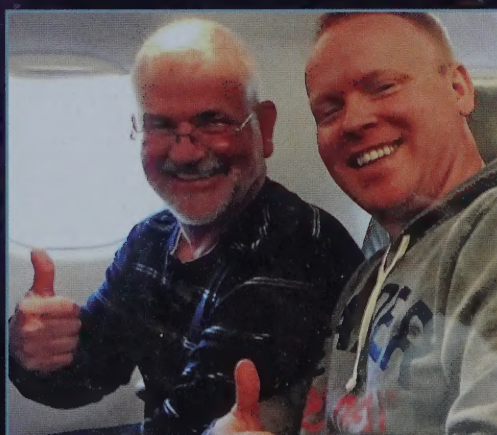

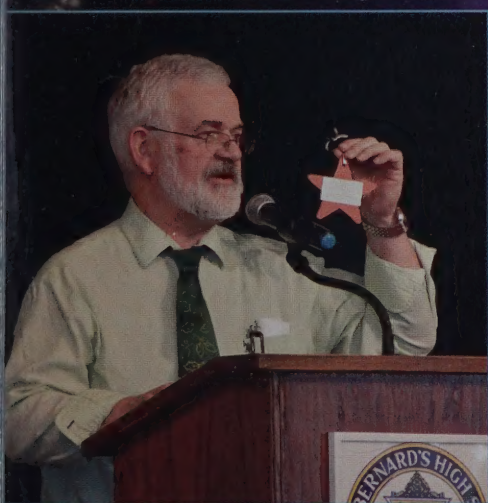

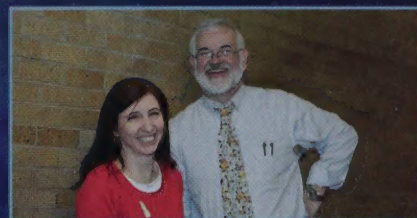

We are grateful for what you have given us, what you have shown us, and we will take what we have learned from you to continue on our own personal journeys. We hope to see you around.

Sincerely,

The Class of 2019

Mr. Robert Blanchard

Yearbook Dedication 2019

Proud Mom and new Grandma, Mrs. Rouleau has been part of our community for over 30 years. The Class of 2019 chose to dedicate the yearbook to Mrs. Rouleau because of her commitment to St. Bernard's CCHS. When asked why Mrs. Rouleau has stayed at STB for so long, she simply stated that she "just loves her job." The level of organization and devotion that Mrs. Rouleau has shown is particularly notable when "everything goes crazy," as many teachers and students have said. From answering the phone, especially when it's ringing off the hook on potential snow days, from acting as the medical team on duty, Mrs. Rouleau is quick, efficient, and never loses her cool under pressure.

Mrs. Rouleau's office aides enjoy working for Mrs. Rouleau because she always expresses her appreciation for them for all of the errands that they're sent on. At Christmas time, she always gives her helpers little presents, often awards them with ice cream sundaes and other treats. Never looking for recognition or praise, the Class of 2019 wanted to make sure that Mrs. Rouleau knows just how much she is appreciated, admired, and loved at St. Bernard's.

Here are some personal messages to Mrs. Rouleau from fellow Bernardians:

"When you're not here, everything is crazy. I feel like we take advantage of you always being around to save the day, but when you're out sick, everything feels chaotic!!"

"I appreciate the fact that you know all of our names. This really shows your true commitment to our community."

"I like how you always have Kleenex and bandaids when I get sick or get injuries."

"I like how you always know what's going on. I feel like my mind is at ease because you're constantly on top of things."

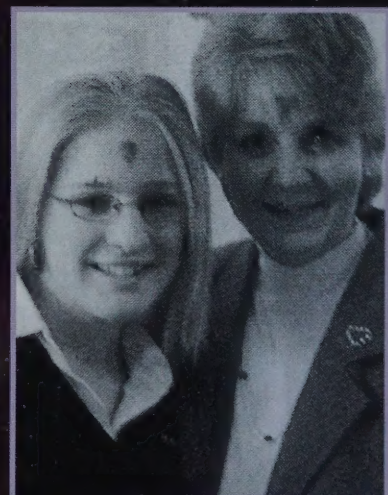

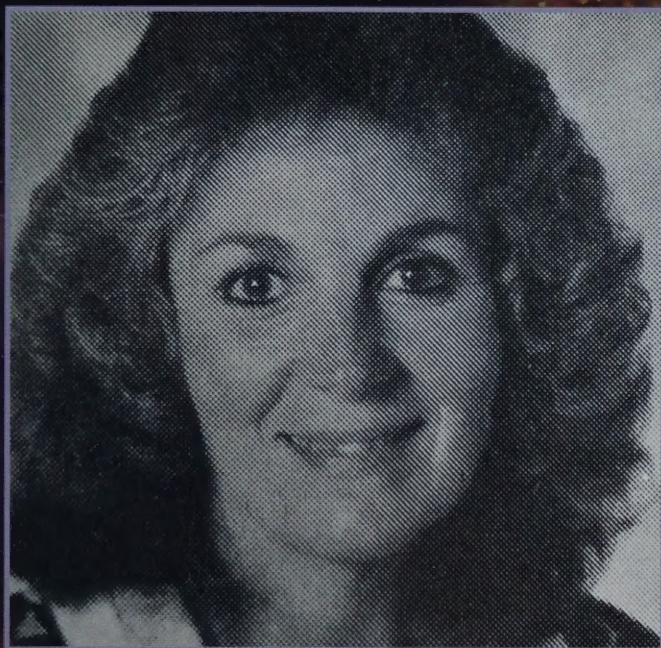

"I think it's really nice how you've been at St. Bernard's since some of our parents went to school here. You sent your daughter here, and you continue to come to school here, which really shows how much you love it here and love us."

"When I was told that this year's yearbook would be dedicated to my Aunt, I couldn't think of anyone who would deserve it more. Most of us may just think of her as who we are sent to when we get in trouble in class, but Mrs. Rouleau is the heartbeat of St. Bernard's Central Catholic High School. She is always working hard behind the scenes while everyone is in class, keeping the school running, and she is always available when anyone needs help, both students and faculty. Mrs. Rouleau is hard working, caring, and exemplifies the Bernardian way. It's great seeing her everyday that I come in to teach guitar lessons. I can, and do, just hang out and talk to her for hours. She has made my experiences at STB (both as a student and a teacher) even more enjoyable. She is such a great person to be around, and I am so thankful that I get to see her more often than just at family get-togethers!" - Ben Cote, STB '13 Alum, Berkeley College of Music '18 Alum

Thank you for all that you do, Mrs. Rouleau! We love and appreciate you!

Mrs. Annemarie Rouleau

Israel "Izzy" Arbeiter, Holocaust and Auschwitz Survivor, Comes to St. Bernard's

St. Bernard's High School was blessed to have a very special guest speaker who touched the hearts of our students, faculty, and guests. Izzy Arbeiter, a survivor of the Holocaust and of Auschwitz, spoke about his experiences and faith, while conveying his enduring wisdom to the Bernardian community. St. Bernard's wholeheartedly thanks Mr. Izzy Arbeiter for his contributions to our school and humankind, and feels perpetually grateful and humbled for the amazing experience he has given to St. Bernard's.

December 13, 2018

A memorable experience for the Bernardian Community!

The Annual 3v3 Basketball Tournament

March 8, 2019

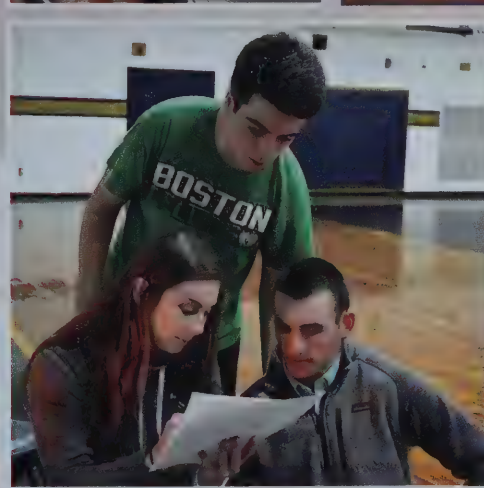

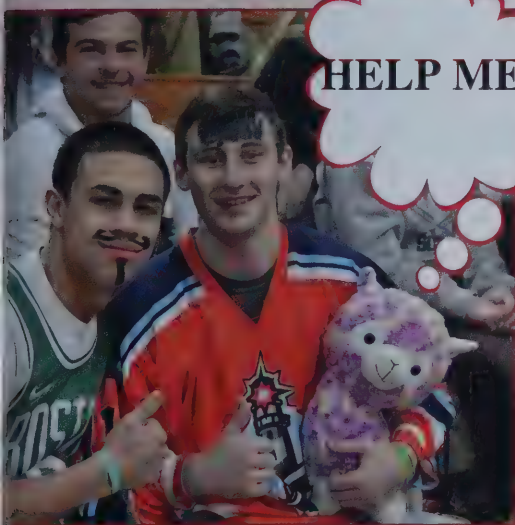

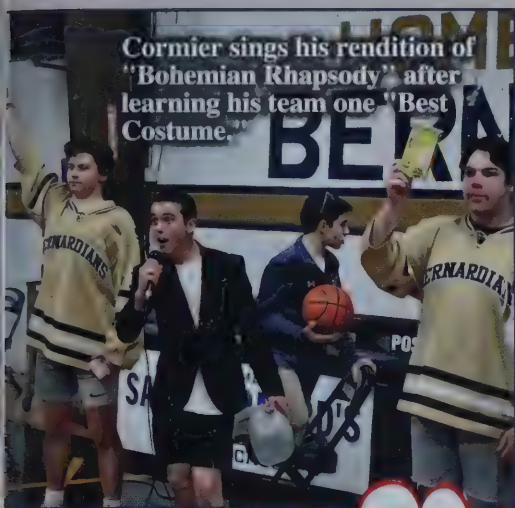

There were laughs. There were tears. There were Bernardians cheering on fellow Bernardians. The annual 3v3 Basketball Tournament, run by Stude Council, was a complete success, which ended in the much anticipated game against the teacher team. This year, the "Teachers from the Bleachers," scored a respectable four points against "The Monstars," who wore oven mitts to even the playing field. The crowd went wild when Mr. Sousa and Mrs. Adam scored, even though Jakai, Keegan, Micah, and Xavier ended up crushing the teacher team once again. However, it was all in good fun, and the teacher team plans to come back bigger, better, and even "more Bernardian" next year!

A strong show of support from fellow Bernardians!

Camp Sunshine 2018

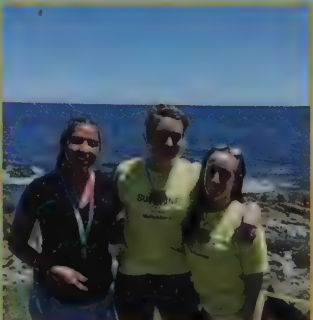

At the end of the 2018 school year, a few Bernardian staff and students headed up to Casco, Maine, to volunteer at Camp Sunshine. Founded in 1984, Camp Sunshine is a camp for children with life-threatening illnesses and their families at no cost to them. While there, Bernardians got up early to enjoy their days volunteering and bringing joy to the children and their families. Camp Sunshine is definitely a place that everyone should visit at some point in their lives!

A Message from Our Senior Advisors

Mrs. Maryann Raymond and Mrs. Kathleen Boudreau

Dearest Seniors,

What a great year this has been! Your officers have had some interesting ideas for getting you involved in fundraising, your parents have been terrific at supporting all of your efforts as a class, and you have brought fun, laughter, hard work and terrific sportsmanship to 2018 and now 2019. You are all different from one another, but you have a cohesiveness in spite of that that makes it all work. You have taken risks, and sought out new challenges. Some of you face challenges with great enthusiasm and some with a quiet efficiency, but you all face them. We have many reasons to be proud to be your advisors, many reasons to feel satisfied that you are ready to take the next step in your education. So we send you toward graduation and a bright future with great hope that you will find fulfillment and joy. Dream your dreams, but then take the steps to bring them to fruition. Never stop learning and growing. Take the setbacks as a reminder that you cannot become complacent. And above all, let God be the friend who is always at your side. Listen to wisdom and soak it in, then let it inform your actions.

We wish you well, Class of 2019, and we believe in you. Believe in yourselves and trust in the values that your parents, your church and your school have shared with you. Work to make the world a more wholesome and more holy place. Show concern for all of your brothers and sisters, especially those who have not had the opportunities that life has afforded you. Reflect each day on the events and feelings of that day, and learn something from it. Cultivate gratitude. All of you are aware that you would not be who you are right now if your family, your teachers, your coaches, and your friends had not supported you along the way. Thank them now and often. You are not the person you are by accident, but by years of nurturing love and patience. Be grateful.

We wish you life in abundance, and love to make life worthwhile. We are grateful for you.

Mrs. Raymond and Mrs. Boudreau
